ABOUT THE EMPLOYER

IFM is entering its 40th year of production. With a continuous improvement outlook on our production process, we are constantly looking for more efficient ways of producing liquid filtration products.

At IFM, we pride ourselves on achieving our mission, and values statements.

Our Mission is to profitably produce high quality filtration products while exceeding our Customers' standards for service in an environment supportive of our team members. We strive to expand our markets with products and manufacturing processes inspired by innovation and quality.
